## Introduction

This document compiles the list of initiatives that have already accepted the invitation to participate in the Activation Groups. For those that have authorized the disclosure of their information, the contact details of their respective focal points are included.

This document will be regularly updated in the lead-up to COP30.

If your initiative is not listed but you would like to join, please express your interest through [this link](#).

Eligibility is defined according to [UNFCCC's NAZCA platform](#) definition of initiatives as *“voluntary efforts undertaken jointly by multiple stakeholders (including non-State and/or governmental actors) working towards achieving a clearly defined climate-related goal shared by the stakeholders within the Cooperative Climate Initiatives (CCI).”*

The COP30 Presidency gratefully acknowledges the support of the Boston Consulting Group (BCG) in the preparation of this report.
